Certification

Dear Thomas:

Ruggiano Engineering, Inc. has observed the construction of the water supply system and wastewater disposal system at the above referenced parcel in the Town of Charlotte, VT. Both the domestic water supply and wastewater disposal system appear to be installed in the proper location and in accordance with the approved plan.

I hereby certify that, in the exercise of my reasonable, professional judgment, the installation-related information submitted is true and correct and the potable water supply and wastewater disposal system were installed in accordance with: the permitted design and all permit conditions; were inspected, were properly tested and have successfully met those performance tests. The present owners of record are: Thomas Walsh and Jessica Sidway, 156 Battery Street, Burlington, VT 05401.

Sincerely,

Ruggiano Engineering, Inc.

Clifford R. Collins, Jr., P.E.
