Town of Charlotte Municipal Offices
P.O. Box 119, Charlotte, Vt. 05445,

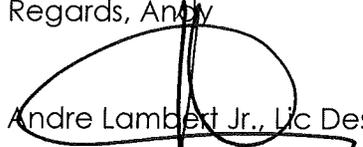

Subject: WW-138-0705, Moore & Rushford, 692 Church Hill Road, Charlotte, Vt.

Dear Jeannine,

Please find attached a WW application to amend WW-138-0705 along with a site plan for the above mentioned parcel. Our goal is to amend the existing permit on this parcel to reflect the number of bedrooms per the listers card which is 10. The existing permit outlines the parcel as 8 bedrooms which is incorrect. I understand we have agreed to repermit this site under "clean slate". A closing on this property has been scheduled so please review the application and call with any questions/concerns.

Thank you for your time in this process.

Regards, Andy
