RE: WW-138-1019 Amendment Application

Dear Mr. Mansfield:

Please find the attached application for amending the above referenced permit for the Habitat for Humanity/Alberts Way subdivision. The only revision to the permit is a modification of bedroom configuration. The single family residence on lot #3 will change from 3 bedrooms to 4 bedrooms while one unit of the permitted duplex on lot #5 will change from 3 bedrooms to 2 bedrooms.

There are no proposed changes to the permitted design flows or design of the water supply and wastewater systems. The approved stamped plan set remains unchanged as the revised bedroom configuration is not illustrated on the plans. Please feel free to contact me if you have any questions or in need of additional information.

Thank you.

Sincerely,

Scott Michael Mapes, P.E.
