

Arborists Active and Located in or Near Charlotte: a partial list

In response to many questions to the Tree Warden about persons to contact for tree removal or tree health maintenance work, I have prepared a list of those whom I know who are working regularly within Town. This listing implies no endorsement by the Tree Warden or the Town. Be sure that anyone removing trees or limbs for you has insurance. I am sure that there are others, and I invite additions to this list by qualified and Certified Arborists.
