Hello Dean -

The Charlotte Land Trust is requesting \$5000 for the Town's contribution to CLT in the FY 16-17 budget. This amount is consistent with the approval for this year.

CLT is also requesting that the contribution to the Charlotte Conservation Fund in the next budget year be the same as this year - \$50,000. The annual report to the Selectboard, prepared by CLT, is attached and lists potential projects, with estimated amounts which might be granted from the Fund.

Please let me know if you have any questions or need more information.

Kate Lampton, for CLT Board of Directors
