Hi Dean.

I talked with Lane this morning and asked him how to go about asking the Selectboard to make a contribution to The News during our fall fundraising appeal. He asked me to email you with a request to schedule The News into an upcoming agenda for about 10 minutes, when we could present our ask (probably for \$500) along with information about the ways in which the paper has supported and continues to support the work of town government.

Lynne Jaunich, the chair of the Friends of the Charlotte News, and editor-in-chief Alex Bunten would likely join me in making the presentation to the board.

Over to you.

Vince
