Minutes-supplementary budget meeting Thursday Dec. 9, 2010 7:00-7:30 pm Old Brick Store

Members Present: Trafton Crandall, Mariana Du Brul, Suzy Hodgson, Robert Hyams, Holly Sullivan, Howard Verman

Reviewed preliminary draft budget, for the fiscal year beginning July 1, 2011, prepared by Bob. In discussion the upcoming fiscal year, we acknowledged that the majority of our work may be determined by two SB/PC initiatives; the rework of the land use regulations and the development of a Conservation Action Plan. As a result, funds were reallocated from the *UVM interns* to the *education and technical support* line item.

Probable needs associated with the *education and technical support* include collaborations with the Trails Committee, Park Oversight Committee, and Energy Committee.

Conservation Commission members decided to apply for level funding. The budget received unanimous support.
