

-ON LETTERHEAD-

REQUEST FOR PAVING BIDS

\_\_\_\_\_ (year)

**BID DEADLINE IS \_\_\_\_\_**

The Town of Charlotte is requesting bids for the placement of approximately \_\_\_\_\_ tons of hot mix asphalt on several sections of town highway. Bids shall include sweeping, emulsion application, two rollers (including back roller), traffic control, and cost for moving between sites. Emulsion application by truck mounted system is preferred. Minimum emulsion application shall be sufficient to cover one lane (12' +/-) in one pass. All equipment shall be provided in good repair and fully operational. Bids shall also include finishing all pavement edges with a tapered "safety edge." Paving will take place on such roads and at such times as the Road Commissioner may designate. Specified locations may change at the Town's discretion.

**INNOVATIVE PROPOSALS**

The Town of Charlotte will entertain proposals for new or innovative approaches to resurfacing. Such proposals will be carefully considered by the Town for cost effectiveness.
