Dean –

Our quote includes a charge of 2% of our total cost for Operating Expenses, Building Expenses, Dispatch Services, and Building Debt. This was figured by taking into account the total average hours Shelburne pays a police officer on duty per week / hours worked in Charlotte per week. (8.5 hours for Charlotte / 420 hrs total (2.5 officers on duty per hour x 24 hours per day x 7 days per week).

Specifically for dispatch, see below...

4, Dispatch Services

Shelburne PD est. calls/yr	12200
* % OF Full time coverage	2%
Est. Charlotte calls/yr	244.00
Cost/call FY 15	30.21
Cost/Year	7,371.24
Charlotte Hours/Year	442.00
Cost/Hour Charlotte	16.68

Hope this helps.

Hi Joe,

Would you be able to explain the calculation for determining the hourly rate dispatch services?

Thanks,
Dean
