Wastewater System & Potable Water Supply Permit Application

Landowner Signature Sheet

Instructions:

The Submission Number and Version of the online application form being signed must be entered in the field below.

Hand Signatures - This signature sheet can be downloaded, printed, signed by hand, and then scanned and uploaded to the Signatures section of the online application form.

Electronic Signatures - This signature sheet can be signed electronically using the signing capability available in Adobe Reader (or other PDF software with similar capability) and then uploaded to the Signatures section of the online application form. If this sheet contains one or more electronic signatures, it must be uploaded in a format that does not compromise the ability to validate the applied signature(s). The electronic signature appearance must include the signer's name, email address, and the date and time of signing. This sheet can not contain both electronic and hand signatures.

Signatures & Acknowledgements of Landowner(s)

This application must be signed by each Landowner listed on the property deed or by individuals with legal authority to sign on behalf of each Landowner. In order to insure compliance with the requirements of the regulations administered by the Department of Environmental Conservation, Drinking Water and Groundwater Protection Division, it may be necessary to visit the property. As this would involve a Department employee entering private property, we request your approval to do so.

If we do visit your property, do you have any special instructions?

"By signing this application, I certify that I am a landowner listed on the property deed or that I have the legal authority to sign on behalf of the landowner. I understand that by signing this application I am granting permission for the Department employees to enter the property, during normal business hours, to insure compliance of the property with the applicable rules of the Department.

I also understand that I am not allowed to commence any site work or construction on this project without written approval from the Department of Environmental Conservation.

If my project utilizes an Innovative/Alternative System or Product, I have received a copy of the Drinking Water & Groundwater Protection Division's approval letter and agree to abide by the conditions of the approval.

I also certify that to the best of my knowledge and belief the information submitted above is true, accurate and complete."
