November 2, 2015

Charlotte Design Review Committee

DRAFT

Member’s Present: Robin Coleburn and Robin Pierce

Others Present: Jeffrey Bradley and Britney Tenney

The meeting began at 3:05 p.m.

Site Visit- the Design Review Committee visited Roberta and John Stetson’s camp located at 800 North Shore Road. Jeffery Bradley, who is the builder and the designated co-applicant, gave an overview of the construction plans. The Design Review Committee walked the site and viewed the north side of the camp where the addition is proposed to be constructed. It was noted that several trees were marked for removal.

Mr. Bradley explained that the addition would match the existing in terms of color scheme (dark brown with dark red trim). There would be no blasting or filling of the site. The addition is proposed to be elevated on piers.

The meeting was adjourned at 3:35 p.m.
