

Parking Plan

- Public assembly requires 1 parking area for every 4 seats or every 200 sq. ft.
- Barn will be 6,000 sq. ft. and septic will allow for 150 seats.
- 38 parking spaces are required
- plan is for 50 parking spaces in front of the barn
- a 20 foot path/road will be maintained all the way around the barn for fire access.
- Vtrans requires a double access
