ZBA Application

910 Flat Rock Rd., Thompson's Point, Charlotte, VT

March 19, 2014

Response to Section 3.15 Surface Waters & Wetlands

3.15 G1

All potentially affected trees are above elevation 100 ft., therefore the Town has determined that the Tree Warden will have jurisdiction over the cutting and removal of any trees.

3.15 G2

It is anticipated that the trimming or pruning of trees would be limited if not required at all. Again, the Tree Warden will be consulted on these matters.

3.15 G3

Again, the Tree Warden will be consulted regarding any potential tree work.

3.15 G4

Does not apply.
