

Ferry Road/Church Hill Road & Route 7 Intersection Pedestrian Safety Study

The Town of Charlotte is sponsoring a public work session focusing on improving walking conditions at the signalized intersection of Route 7, Ferry Road and Church Hill Road.

May 19, 2014, 5:30 PM
Charlotte Town Hall

Come learn about existing conditions, talk about the issues and discuss options for how we can improve pedestrian crossing options. We will begin in Town Hall and move out to the intersection.

To comment on or ask a question about the project, please email Dean Bloch, Town Administrator at dean@townofcharlotte.com
