(a) The legislative body of a municipality shall warn a meeting by posting a warning and notice in at least two public places in the town, and in or near the town clerk's office, not less than 30 nor more than 40 days before the meeting. If a town has more than one polling place and the polling places are not all in the same building, the warning and notice shall be posted in at least two public places within each voting district and in or near the town clerk's office.
