<p>This estimate is based on the town of charlotte water treatment schematic (project number 12722) that was sent over to us. This estimate includes pricing for Eco Water and Water Soft treatment units instead of the Charger systems specified on the schematic sheet. If Charger units are required we are not a Charger dealer and will not be able to provide a quote for these units.</p>			
		Sales Tax (6.0%)	\$348.12
		TOTAL	\$7,891.60

*This document is only an estimate, not a quote. Final billing will be based on actual depth drilled.
Estimate is valid for 30 days. Amounts are subject to change after the 30 days.*
