

Charlotte Park and Wildlife Refuge
Oversight Committee Meeting
Tuesday, December 2, 2014 at 5:00 p.m.
Minutes

Members Present

Jessie Bradley, Jenny Cole, Mark Dillenbeck, Larry Hamilton, Dorothy Hill, Sue Smith

Update on the Varney Farm

Much of the meeting was spent discussing the construction/restoration work at the Varney Farm and proposals for use of the property. The project was presented to the Planning Commission for Sketch Plan Review on November 20. Tim and Martha Hunt have applied for a permit for a wastewater system using a floating easement in the Charlotte Park and Wildlife Refuge. The Committee decided to draft comments regarding the project, and meet again on December 9 to approve the final version.

Report for Town Report

Jessie volunteered to do the report. Jenny and Sue will send information to Jessie about 2014 activities.

Writing for Charlotte News

The group decided that a December article could be an update about park work. Sue would like to write an article about work at the park to improve water quality, but she needs more time.

Approval of Minutes

Minutes from the November 4 meeting were approved.

Next Meeting

The next meeting was scheduled for Tuesday, December 9 at 5:00 p.m.
