Varney Farm Proposal – Comments from the Park Oversight Committee

There was much discussion about a draft letter to the Selectboard regarding Tim and Martha Hunt's proposal to use the Varney Farm as a wedding/event venue—utilizing the reserved easement for a wastewater system in the Charlotte Park and Wildlife Refuge. Jessie spoke with Cara Montgomery from the Vermont Land Trust about the proposal. The Land Trust may approve the use of the reserved easement, but the Town needs to agree on the location.

Several edits and additions to the letter were discussed. Jenny will send out a revised draft, and a meeting will be scheduled to approve the final letter. Copies will be sent to Mike LaClair and Tim Hunt, along with others included in earlier correspondence about the proposal.

Report for Town Report

Jessie is working on this.
