

## Arborists Active in Charlotte

This is a partial list of arborists active in Charlotte. Inclusion on this list does not imply endorsement by the Tree Warden or the Town of Charlotte.

Arborists who have reported being capable of chemically treating ash trees for emerald ash borer are indicated in the far right column of the table below.

Please make sure that anyone pruning large branches or removing trees for you has the proper insurance. Working with a Certified Arborist will help ensure your trees are cared for by knowledgeable professionals.
