

TOWN OF CHARLOTTE

SEWER ALLOCATION ORDINANCE

West Village Wastewater Committee Working Document Last Updated 7-31-19

Abstract:

The Town of Charlotte has a certain amount of uncommitted reserve capacity at the municipal sewage disposal facilities located at multiple different locations and a sewage collection and transmission system (“Sewers”) as defined in 24 V.S.A. §3501(6) and 3601. The capacity of the Disposal Fields and sewer collection and transmission system are the property of the Town. The uncommitted reserve capacity of the disposal fields and Sewers shall be allocated over the remaining life of the system by the BOARD in the manner described in this ordinance consistent with the guidance set forth in the municipal plan.
