Subject: meeting

Dear Mr. Benoit,

We've just been made aware (by our neighbors JC and Val Biebuyck) that a hearing was held regarding the property owned by Paul Arthaud at 1012 Flat Rock Rd. We did NOT receive prior notice of this May 4th zoning board meeting. We feel our ability to participate as adjoining property owners has been compromised because of the lack of notice.

We also understand that a second meeting will be held this evening. Since we live 5 hours away in New York, we will not be able to attend.

In the future, we would appreciate being notified as required by regulations.

Thank you.

Sincerely,

Nina Cucchiari
