Re: Wastewater System & Potable Water Supply Permit WW-138-1703
CONSTRUCTION CERTIFICATION
Site: Bennett & Naritomi 1154 Roscoe Road, Charlotte VT 05445

To whom it may concern:

This letter is to provide Construction Certification for the above referenced property in accordance with permit approval WW-138-1703. Trafton Crandall P. E. of Trafton Engineering Associates LLC provided on-site field inspection during critical times of the construction process. The wastewater system was installed in accordance with the approved plans and in accordance with the State of Vermont wastewater standards and was completed by 09/11/18. There was no change to the existing water supply system.

CERTIFICATION

I hereby certify that, in the exercise of my reasonable professional judgment, the installation-related information submitted is true and correct and that the wastewater system was installed in accordance with the permitted design and all permit conditions; was inspected; was properly tested; and has successfully met those performance tests.
