Dear James:

I have completed my inspection of the installation of the Replacement Mound Wastewater Disposal System that was installed in late-September 2013 at the Ziegler residence, 477 Thompson's Point Road, per item 2 of WW-138-1312. I am providing written certification of the following:

I hereby certify that in the exercise of my reasonable professional judgment, the installation-related information submitted is true and correct and the wastewater system was installed in accordance with: the permitted design and all permit conditions, was filed with the Secretary, and was in accordance with all other permit conditions; was inspected; was properly tested, and has successfully met those performance tests..

Sincerely,

Michael Mainer
