RE: Matthew and Lauren Daley, 2255 Greenbush Road, Charlotte, Vermont
Wastewater System and Potable Water Supply Permit WW-138-1402

Dear Jeannine:

We are writing on behalf of Matthew and Lauren Daley regarding the construction of a replacement wastewater system for their 3-bedroom house on Greenbush Road. Based on our observations on September 9 and 16, 2014, we found the wastewater system to be installed substantially in accordance with the approved plans and offer the following statement as required by Items 1.5 and 3.4 of the above-referenced permit:

"I hereby certify that, in the exercise of my reasonable professional judgment, the installation-related information submitted is true and correct and that the wastewater system was installed in accordance with the permitted design and all permit conditions, was inspected, was properly tested, and has successfully met those performance tests."

If you have any questions or need additional information, please don't hesitate to contact me.

Sincerely,
