Town Health Officer :

RE: Brian Alpert Properties

An Ecoflo Biofilter pretreatment unit for a septic system was recently installed at the address on the attached form. In accordance with our maintenance agreement with the owner, annual inspections of the system will be performed by PremierTech Environment. In accordance with State regulations, each year a copy of the inspection report will be sent to your office.

Please do not hesitate to call if you would like more information on our peat moss based septic system.

Sincerely yours,

Tim Lake, P. Eng.
