

Design Review Committee

Minutes

09/05/2014

Draft

Members Present: Robin Coleburn, Robin Pierce, and Avery Hall

Administration: Britney Tenney, Administrative Assistant

Others Present: Brad Sweet and Steven Schenker

Site Visits:

4:00 pm- Site Visit of 598 Flat Rock Road- Thompson Camp. The Design Review Committee discussed the proposed camp alterations. The discussion included what type of windows are to be used to replace the existing the windows, how the proposed loft would be supported, and what type of exterior finishing was proposed.

The Design Review Committee agreed that the new windows should be “camp like”.

Brad Sweet indicated the proposed loft would be supported by rough cut beams and that the current camp will be torn down to the floor and rebuilt.

4:45- Site Visit of 2668 Thompson’s Point Road- Illick Camp. The Design Review Committee walked the perimeter of the camp to see where the additions were proposed. The Design Review Committee reiterated that the additions may not get any closer to the lake than existing.

5:00pm- Meeting adjourned

Minutes respectfully submitted, Britney Tenney, Administrative Assistant.
