

Charlotte Park and Wildlife Refuge Oversight Committee
Meeting Minutes
Tuesday, January 26, 2016
5:00 p.m.

Members Present: Jessie Bradley, Jenny Cole, Larry Hamilton, Dorothy Hill, Sue Smith

This was a work session to begin the process of revising the 1999 Charlotte Park & Wildlife Refuge Comprehensive Management Plan.

Outlines of the index/table of contents were presented by Jessie and Sue. Several suggestions were made: adding other areas of special designation, invasive species management, erosion control and water quality, and memorial and dedicated trees. After discussion, Committee members concluded the best approach would be to ask for 20 minutes on an upcoming Selectboard meeting agenda to present an outline and provide an overview of the Management Plan revision. Copies of the 1999 Plan will be made for each Selectboard member.

Committee members volunteered to work on the following sections:

Overview: Larry

Management Structure: Jessie

Management Issues: Jenny

A meeting was scheduled for Tuesday, February 9th at 5:00 pm to continue work on the Plan.

The meeting adjourned at approximately 6:30.
