TO CONSIDER THE REMOVAL OF ASH TREES
ON FERRY ROAD BETWEEN WINGS POINT ROAD AND GREENBUSH ROAD
AND
GREENBUSH ROAD 0.6 MILES SOUTH OF ORCHARD ROAD AND GREENBUSH
ROAD BETWEEN THE RAILROAD UNDERPASS AND THE PARK
FEBRUARY 12th @ 6:00 P.M.
AT CHARLOTTE TOWN HALL
159 Ferry Road

Reasonable accommodation shall be provided upon request to ensure this meeting is accessible to all individuals regardless of disability.

Pursuant to Title 24 §2509 V.S.A., the Charlotte Tree Warden will hold a public hearing on February 12, 2020 at 6:00 p.m. at the Charlotte Town Hall to consider the proposed preemptive removal of ash trees within the public rights-of-way at the locations listed above. This is part of the town's Emerald Ash Borer Preparedness Plan which seeks to proactively address the problem of the anticipated death of 99.7% of ash trees. Targeted, preemptive removal will minimize eventual costs to the town and ensure safe and uninterrupted use of town roads and public spaces. Affected landowners may request that downed timber be left on their property for their use. Absent such a request in writing, the trees will be removed. In addition, in lieu of removal, affected landowners have the option of committing to the preservation of "keeper" trees though chemical treatments undertaken at the landowner's expense.

Questions may be directed to Dean Bloch, Town Administrator at 425-3071 ext. 5 or dean@townofcharlotte.com or to Mark Dillenbeck, Tree Warden at 383-0476 X1 or mark@ocmmr.com.
