Re: Wastewater System Inspection
WW-138-1706-1

Dear Aaron:

Please be advised that the wastewater disposal field serving Lot 3 in the Pizzagalli subdivision has been installed in accordance with the approved plans.

I hereby certify that the installation related information submitted is true and correct and that, in the exercise of my reasonable professional judgement, the wastewater system has been installed in accordance with the permitted design and permit conditions, was inspected, was properly tested, and has successfully met those performance tests.

All improvements described above conform to the Vermont Environmental Protection Rules (effective date September 2007) and the latest plans dated May 23rd, 2018.

Feel free to contact me if you have any questions or comments.

Regards,

John H. Stuart, P.E.
